Menu Planning

A \$1,000 Facility deposit will secure the winery for the date of your event. A meeting with our Food Director to determine what services you would like for us to provide can then be arranged to develop a detailed contract for the event. Outside caterers that are licensed and insured can be used for an event, and are subject to a \$250 cleaning deposit required by the facility. For more information about Blackstock's Wedding Menus and Services, you may contact Michelle Wetherbee at 706/968-6309 for more detail or to arrange an on-site meeting. Upon confirmation of a service contract, our food director will require an additional \$1,000 deposit to secure catering services for the event date.

Clients may choose us or use their own professional Cake Designer for Wedding and Grooms cakes. There is a cake service fee of \$100 if you choose to bring in your own cake. The cake must be provided from a licensed bakery. We will provide clear glass plates, forks, and white napkins. Due to health regulations, we are unable to allow homemade goods to be brought in and at no time may any left over food be taken from the property.

Our Culinary Team welcomes family recipes and traditions at any special event. Please talk to our Catering Director about your specific requests. We also offer menus for special dietary needs including vegetarian and allergy related concerns.

All events must have a set menu four to six weeks prior. We take pride in designing a menu to fit your needs and tastes. All clients will have a planning meeting with our Event & Catering Director to choose their specific menu, set up and service options. Please add 7% sales tax and 20% service charge to all food. Prices are based on market value and may change without notice within 60 days of the event.

Event Information

Events are typically booked in four hour blocks. Weddings have 2 ½ hours prior to event time for decorating, dressing, pictures, etc. and 30 minutes for the ceremony. Additional event hours are available at the prevailing rate. The cottage is available for changing within that allotted time. In some cases, extension of time of more than 30 minutes may not be made the day of the event.

Due to County ordinance, quiet time is 11 PM, so all music must be silenced at that time. All guests must vacate the property at this time. Any property belonging to the client must be removed by 12 AM.

BlackStock is a non-smoking facility. We do not permit smoking anywhere in the building or on the premises. Smoking is aloud in the parking areas.

Since our Winery is located within the Vineyard, for the safety of your guests and the natural growth of our grapes, we strongly enforce that no guests are permitted in the vineyards. Brides and family/wedding party may take pictures within the vineyards. There is no glassware, food, or beverage allowed outside the winery and deck at any time.

Payment Information

Final payment of the contract balance is required 10 days prior to the event. All events must be paid in full at this time. All events require a non-refundable reservation deposit to hold the date and reserve the space. Deposits may be made in the form of cash or check. All deposits are applied to the contract balance. A refundable damage/incidentals deposit is due with the final payment.
